
ZHANG KE (COCO) JIANG

Vancouver, Canada ♦ 778-929-5955 ♦ cjiang5@student.ubc.ca ♦ <https://coco505.github.io/>

EDUCATION

Master of Public Health, University of British Columbia – Vancouver, Canada

- CGPA: 90%

Honours Bachelor of Science, University of Toronto – Toronto, Canada

Double Major in Cell Biology & Molecular Genetics | **Minor** in Computer Science

- CGPA: 3.95/4.00
-

CERTIFICATIONS

- **TCPS 2: CORE-2022 (Course on Research Ethics) Certificate** | Government of Canada | 2021
 - **Good Clinical Practice (GCP) – Canada (Basic Course) Certificate** | CITI Program | 2021
-

RELEVANT EXPERIENCE

AI Health Information Simplifier (Independent Project) | 11/2025

<https://health-info-simplifier.pages.dev/>

- Designed and built a web application that rewrites complex health information into clear and accessible language
- Implemented Flesch-based readability scoring, AI-powered simplification and translation using the Gemma 3 API

Research Analyst | 01/2025 – 09/2025

BC Centre for Disease Control – Vancouver, Canada

- Integrated genomic, animal, and environmental datasets using machine learning and GIS to develop a geospatial risk map for H5N1
- Developed and documented analysis pipelines using GitHub and Markdown to enhance reproducibility, shareability, and collaboration

Senior Section Editor, Academic Research [Volunteer] 05/2024 – Current

Junior Section Editor, Academic Research [Volunteer] 09/2023 – 05/2024

UBC Medical Journal – Vancouver, Canada

- Led the editorial review process for health and medical research articles, providing detailed feedback on content quality, structure, and adherence to publication guidelines, ensuring rigorous academic standards
- Mentored junior editors and collaborated with authors and peer reviewers to improve manuscript clarity, accuracy, and readability

Genomic Epidemiology Intern | 05/2024 - 08/2024

BC Centre for Disease Control – Vancouver, Canada

- Analyzed genomic and epidemiological data using R to support the surveillance of mpox transmission in British Columbia
- Engaged with internal and external stakeholders to create knowledge translation materials including situational reports and manuscript

EDI Researcher Assistant [Volunteer] 11/2023 – 06/2024

UBC Faculty of Medicine, Radiology – Vancouver, Canada

- Contributed to numerous projects within the field of Radiology, including health disparities and EDI (equity, diversity, & inclusion)
- Conducted literature reviews, data collection & analysis, and manuscript preparation

Communications Coordinator | 12/2021 – 09/2025

Al & Malka Green Artists' Health Centre – Toronto, Canada

- Developed engaging and impactful content for diverse digital marketing platforms, strengthening the Centre's online presence and effectively reaching 10K audience yearly and raising awareness about artists' health
- Led outreach efforts with local and national arts and health organizations to enhance visibility and build stronger cross-sector relationships

Research Assistant [Volunteer] 12/2021 – 05/2025

Al & Malka Green Artists' Health Centre – Toronto, Canada

- Performed quantitative analysis on patients' satisfaction with virtual physiotherapy during the COVID-19 pandemic; results were presented in the 40th PAMA International Symposium and published in *Physiotherapy Research International* (1st author)
 - Conducted qualitative analysis to gain insights into overall impact of pandemic on artists' mental well-being; results were presented in the 41st PAMA International Symposium and published in *PLOS ONE* (3rd author)
-

EXTRACURRICULAR & VOLUNTEER EXPERIENCE

Scheduling Supervisor [Volunteer] 06/2021 – 05/2025

Shelter Movers – Vancouver, Canada

- Trained and supervised scheduling coordinators; coordinated with the operations manager to ensure timely recruitment of volunteers
 - Recruited volunteers for move teams; managed email communications with organization's 200+ volunteers
-
